**ORDER APPROVING THE PAGING INTERCONNECTION AGREEMENT**

---

This matter came before Chairman Pat Miller, Director Sara Kyle and Director Ron Jones of the Tennessee Regulatory Authority (the "Authority"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on April 18, 2005 to consider, pursuant to 47 U.S.C. § 252, the Petition for approval of the paging interconnection agreement negotiated between BellSouth Telecommunications, Inc. and Highland Paging, Inc. filed on January 24, 2005.

Based upon a review of the agreement, the record in this matter, and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously granted the Petition, subject to Highland Paging, Inc. filing with the Authority proof of its recertification to transact business with the Tennessee Secretary of State. The panel directed Highland Paging, Inc. to file proof of its recertification with the Authority before April 24, 2005. The panel made the following findings and conclusions.

- 1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104 (2004).
- 2) The agreement is in the public interest as it provides consumers with alternative sources of telecommunications services within BellSouth Telecommunications, Inc.'s service area.
- 3) The agreement is not discriminatory to telecommunications service providers that are not parties thereto.

4) 47 U S C § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it “discriminates against a telecommunications carrier not a party to the agreement” or if the implementation of the agreement “is not consistent with the public interest, convenience or necessity.” Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U S C. §§ 251 or 252(d).<sup>1</sup> Thus, although the Authority finds that neither ground for rejection of a negotiated agreement exists, this finding should not be construed to mean that the agreement is consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.

5) No person or entity has sought to intervene in this docket.

6) The agreement is reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn Code Ann. § 65-4-104 (2004).

**IT IS THEREFORE ORDERED THAT:**

1. The Petition is granted, subject to Highland Paging, Inc. filing with the Authority proof of its recertification to transact business with the Tennessee Secretary of State before April 24, 2005.<sup>2</sup>

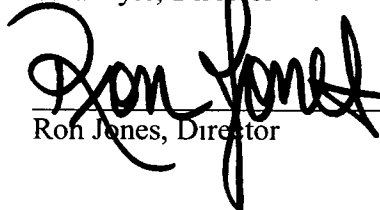

2. The paging interconnection agreement negotiated between BellSouth Telecommunications, Inc. and Highland Paging, Inc is approved and is subject to the review of the Authority as provided herein
